## SPONSORS:

**The Institute of Advanced Legal Studies** is a part of the University of London. Its function is to promote, facilitate and disseminate the results of advanced study and research in the discipline of law, both in the UK and abroad.

**ACC Europe** is a chapter of the Association of Corporate Counsel (ACC), the leading voice of the in-house legal profession, serving the professional needs of lawyers who practice in the legal departments of corporations and other private sector organizations worldwide. Since its founding in 1982, the global organization has grown to over 22,000 members representing more than 9,800 corporations in 75 countries, with 48 chapters and 14 committees serving the membership. ACC Europe provides continuing education, in-house legal resources, professional development, and publications to equip in-house practitioners for their roles as organizational leaders and decision-makers and to ensure their effectiveness and professional success. For more information, go to [www.acc.com](http://www.acc.com).

## Cooperating Program Developer:

**PricewaterhouseCoopers LLP** ([www.pwc.com](http://www.pwc.com)), the world's largest professional services organisation, helps its clients build value, manage risk and improve their performance. Drawing on the talents of more than 125,000 people in 142 countries, PricewaterhouseCoopers LLP provides a full range of business advisory services to leading global, national and local companies and to public institutions. Securities Litigation Consulting is a Dispute Analysis & Investigations/Forensic Services practice within the Advisory group of PricewaterhouseCoopers LLP. The Securities Litigation practice provides companies and their legal counsel with the skills and resources – including forensic accounting, business and economic experience – needed to manage and mitigate securities litigation and regulatory compliance risks.
